QUALITY MANAGEMENT POLICY

Kunooz Gypsum through ERP, systems and procedures ensure

1. Full delivery of a quality product and service.
2. Customer Service is inherent to the business.
3. All work is carried out to a defined standard.
4. Adequate skills and resources to fulfill customer requirements.
5. Staff are fully trained.
6. Strive to continuously improve.
7. Complaints are dealt with efficiently and timely.

The Quality Management Policy:

1. Supports strategic direction and provides a framework for setting quality objectives.
2. Ensures commitment to satisfy applicable requirements and a commitment to continual improvement of the quality management system.
